

Weekly Update from Cinnabar Valley Elementary School

March 2, 2018

Talent Show 2018 Edition!

With a huge shout out to Marnie, our lovely PAC Chairperson, we are about to begin the talent roundup for the annual talent show. Please note that this exciting event has been move to MAY 3 for this year. Notices were sent home on Friday for students to “put their brave on” and sign up to share their talents or passions with the school community. Rehearsals will be held during long recess. Mrs. Miscavish has volunteered to support Marnie with these rehearsals. Maybe I will join in on the talent part ... instead of being dunked in a water tank or taped to a wall this year!

Sports Updates

We have three basketball teams representing Cinnabar in the NETPEA after school league. Huge thanks go out to Mrs. Edwards who is keeping all of these teams going while Mr. Sharpe is absent. Special thanks to Ms. Brown for volunteering to supervise the home games when Mrs. Edwards is with the traveling team. Our basketball players arrive early to practice before school and are happy to practice during long recess as well. Thank you Mr. Watkins and Mr. Lyle for your continued support of our sports programs here at Cinnabar!

Out in Schools Presentation

Our students were an amazing audience for the Out in Schools presentation on Thursday. They asked thoughtful questions, and showed true respect to the young adults who delivered the message. I highly encourage families to visit <http://outinschools.com/> and watch the movies that the students saw on Thursday. Education is a wonderful way of ensuring that schools are safe and inclusive for all students. This is just one area of focus addressed in NLPS Inclusion policy (<http://www.sd68.bc.ca/wp-content/uploads//Policy/2.0/2.10-Inclusion-Policy-.pdf>).

Buses next week:

Tuesday 12:30 and 2:30 for Division 3 and 4 (skating).
Friday 8:50 and 11:10 for swimming.
