

## Weekly Update from Cinnabar Valley Elementary School

June 1, 2018

### **TRACK AND FIELD!**

Wow! We received the results for the Relay teams from all of the Zone races and I am thrilled to share that 8/9 of our teams have qualified for the District Meet! This means we now have 41 students or 2/3 of our Zone Team participating the District meet on Thursday June 7!

WE NEED HELP! We will be relying on Parent drivers to transport students to and from the event. (All drivers must have a Criminal Record Check and Volunteer Driving forms if driving anyone but their own child). Students are welcome to spend the entire day at the track, as we will have direct supervision in the stands for this talented group of athletes.

We are responsible for running the BALL THROW event at this meet. Please consider helping out with this event. It has a great view of all running events ... just saying!

The relays are the last events of the day and are very exciting. I will post the schedule for the District Meet on the Cinnabar Pac Facebook page for reference.

### **THANKS DIVISION 4!**

A special "shout out" to the students in Division 4 and Mrs. Miscavish for their assembly performance today. Our virtue of the month was Joyfulness – what a wonderful way to celebrate and share joy with your families and our school community!

### **JOYFULNESS and THE GOLDEN RULE**

In keeping with the theme of Joyfulness, I thought I would share two links from our Assembly on Friday. The first is all about sharing, caring and joy. The second is a great reminder why the "Golden Rule" is really only expectation that is needed – anywhere. Please enjoy.

### **FIELD TRIPS**

We have many class trips happening over the last few weeks of school. Please note that students must return a signed permission slip in order to participate. We are unable to take verbal permission over the phone.

### **DOGS ON SCHOOL PROPERTY – a reminder (please pass this on to neighbours who do not have children who attend this school as well)**

I would like to thank all families for respecting the "No Dogs on School Property". The district has installed new signs as well. Please note that the signs indicate "No dogs between 7:00 am and 5:30 pm". Please be courteous if you visit with your dogs after this time and realize that there is still a great sense of anxiety for many in our school community. Please ensure that if you are on the grounds after 5:30 that all dogs are on leash and are well under the control of their owners.

## Weekly Update from Cinnabar Valley Elementary School

**BUSES FOR THIS WEEK – please pay attention, as we have another busy week coming up.**
